筆記 Notes

What's Inside the Zoo?

Level 1: DIY shadow of the animals

1

Prepare paper cups, transparent tapes, markers, and flashlight.

2

Cut the bottom of the paper cup and cover it with transparent tape.

3

Draw different animals on the transparent tape with markers.

4

Turn off the light, put the flashlight into the paper cup, and see what the shadow looks like on the wall.

Materials

Paper cups

Transparent tapes

Markers

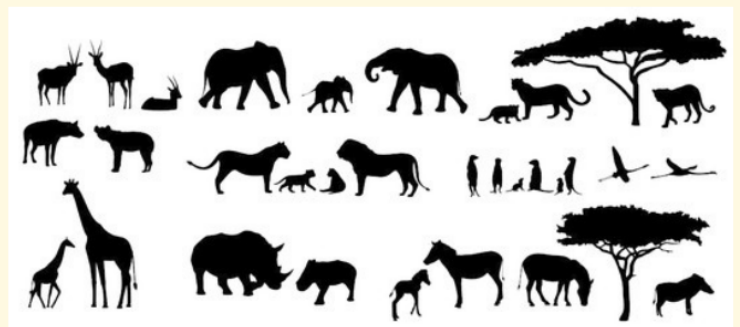

Flashlight

You may ask your kid to draw the animals that he or she has learnt in the Songbook to revise the vocabulary with them.

You and your kid can also take turns to draw different animals and guess what the animals are!

Level 2: Guess what the animals are

1

Shine a flashlight on the wall.

2

Scan the QR code and learn the finger postures.

3

Take turns to use hands to play different animals in front of the flashlight.

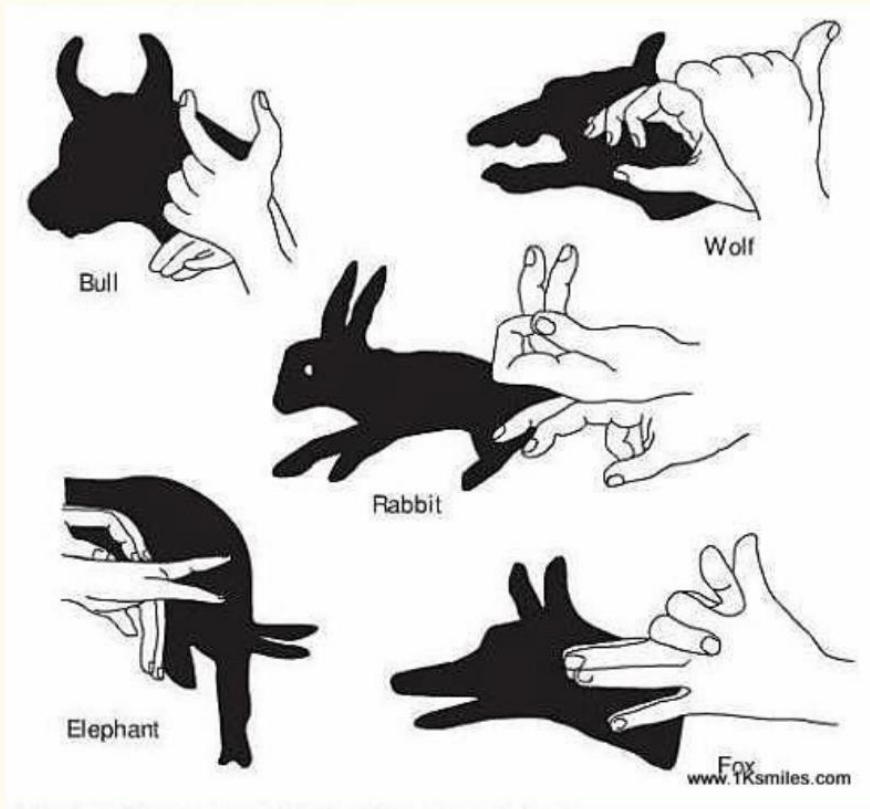

4

Guess what animal is imitated when you see the shadow on the wall. Parent can try to say the name of the animal in Chinese.

Materials

Flashlight

Appreciate and encourage your kid after guessing!

Finish? Well done!
