ECONOMICS OLYMPIAD

INTERNATIONAL
ECONOMICS OLYMPIAD

International Economic Olympiad 國際經濟學奧林匹克

IEO is an annual competition for **high school students** around the world in the areas of Economics and Finance. To further the problem-solving skills of high school students through practice in **logical thinking and creative application of general knowledge**. And to discover, challenge, unite, and reward young people who are exceptionally talented in Economics, Finance, and Business.
