

## How to Access Competition Writing Resources

As part of the School Entry, your students have access to resources intended to assist in the planning and preparation of their competition submissions.

The information below is intended to help teachers navigate the site to access the following resources:

1. **Writing Workshops**
2. **Category-specific Planning Pages**

To access the material, please follow the steps provided

### 1 Click on the relevant hyperlink below, or enter the link into your browser:

- Category A – Review Writing Resources can be found at <https://cicero.com.hk/fptp-resources-a/>
- Category B – Character Development Resources can be found at <https://cicero.com.hk/fptp-resources-b/>
- Category C – Script Writing Resources can be found at <https://cicero.com.hk/fptp-resources-c/>

Troubleshoot -

*If the hyperlink is not active, hold down "Ctrl" (control) on windows / "⌘" (command) on Mac, and click on the link.*

### 2 Enter the password

A new webpage will open. On that page you will see a password entry field requesting that you enter a password to view the content

The password is: **fptp2023**

The screenshot shows the Cicero website header with navigation links: HOME, ABOUT US, GALLERY, COURSES, EVENTS, PARTNERS, BLOG & PUBLICATIONS, CONTACT US. Below the header is a password entry field with the text: "This content is password protected. To view it please enter your password below." The field contains "Password: [masked] [Enter]". A red line points from the text "Password entry field" to the input box. At the bottom of the page is a dark blue footer with contact information and social media icons.
