The Incredible Events for Us

In the future, we could like to hold three events for our Friendly Estate's Residents.

First, I would like to hold an event called 'Lantern Festival Night' in Mid - Autumn Festival at Block2 garden. There are a wide variety of lanterns right there, also there have a board to present the lantern's history and how to craft the lantern. Also, we will hold a lantern class for 30 residents per class. If you are interested, you ought to go to our office to take a form for register the class.

Second, I prefer holding a Tai Chi every morning. It is from 7:30 a.m. to 9:30 a.m. at the roof top garden, the event isn't any limit and don't worry about the coaches, we will invite someone who has rich experience to help us. Apart from that it is also an enjoyable and incredible task for youngest. We are welcoming any age groups residents to join in!

Third, I would like to hold a competition from 11 a.m. to 9 p.m. on Saturday. The competition does not seem like a traditional competition, for example like a basketball competition or football competition. I hope I can let you have a brand new experience for the competition. So, I will hold a competition ---the war game. I think that is a great experience for our estate's residents, don't forget it is a computer game such as CSGO, PUBG like that, it will not anyone in real life. Also it lets who someone don't know what's that, you can learn about what it includes this time. It is a new project and fun-filled in the future. Get to know it isn't any limited stop us, and it can lead us to explore any unknown scene anymore.

Finally, I believe 'work hard also play hard' that can relieve our daily lonely and dry life. Hope you can join in and enjoy our activities!
