Dystopia 2153

- Dystopia (反烏托邦)
- A society in an undesirable state
- Graphic novel series (episode 1, 2, 3)
- Intertwined coding games
- No coding experience needed

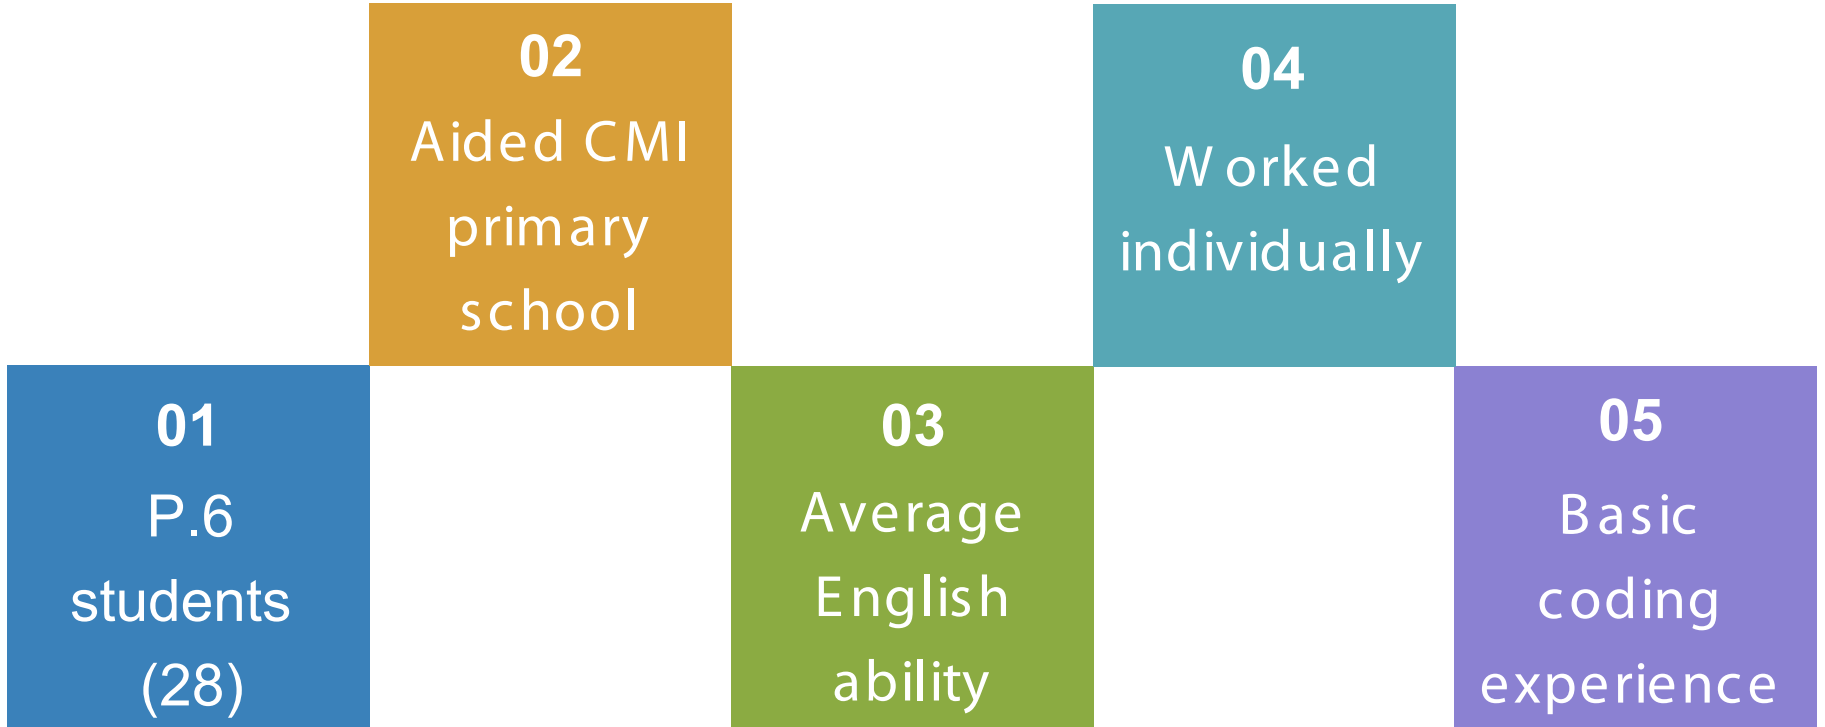

Main focus

Episode 1:
Escape from
the rathouse

Background

Introduction & lead in

- Provides background information
- Contextualises story
- Sparks interest

Background & vocab building

1. Curriculum alignment

- PLE 6A Ch. 5— **Problems in our world**
(e.g. diseases, natural disasters)
- PLE 6B Ch. 3— **Amazing Places**
(e.g. environmental contrast)
- PLE 6B Ch. 5— **Endangered animals**
(e.g. result of ‘Dystopia’)
- PLE 6B Ch. 6— **Our environment**
(e.g. environmental effects)
- Dr. PC Family – **10 & 11**

Leads into coding

EEE! EEE! EEE!

FINALLY, OUR SHIFT'S OVER. LET'S GO.

SORRY ABOUT BEING A JERK BEFORE. I COULD'VE GOTTEN US INTO TROUBLE.

YOU WERE ONLY TRYING TO HELP THAT KID.

WAAH!

WAAH!

WAAH!

LANCE, I'M REALLY SCARED OF BEING TAKEN AWAY TO THE BREEDER'S STATION.

I'D RATHER DIE.

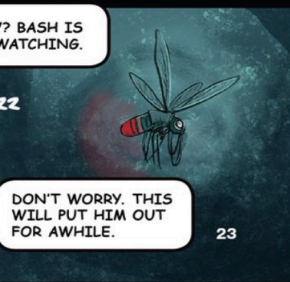

LISTEN, I THINK I HAVE A WAY TO GET US OUT OF HERE.

BUT HOW? BASH IS ALWAYS WATCHING.

BZZZZZZ

DON'T WORRY. THIS WILL PUT HIM OUT FOR AWHILE.

THE MOSQUEETO SHOULD'VE FOUND BASH BY NOW. LET'S GO.

WHAT HAPPENS WHEN BOTS BREAK DOWN ANYWAY?

GOOD QUESTION. SOMEONE OR SOMETHING MUST FIX THEM.

LET'S SPLIT UP.

YEAH AND LOOK FOR THE MOLE GUY!

2. Text type exposure

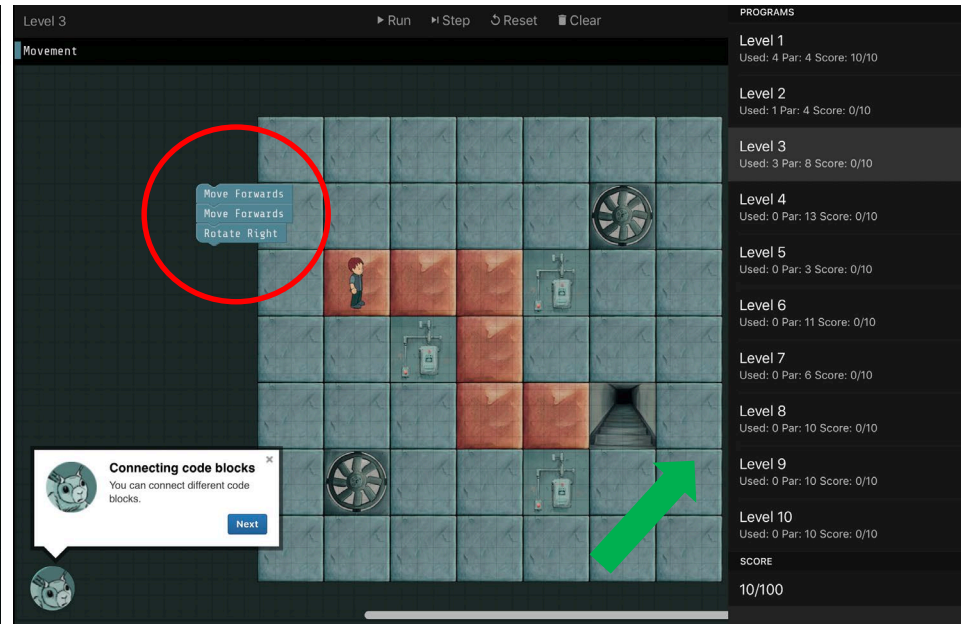

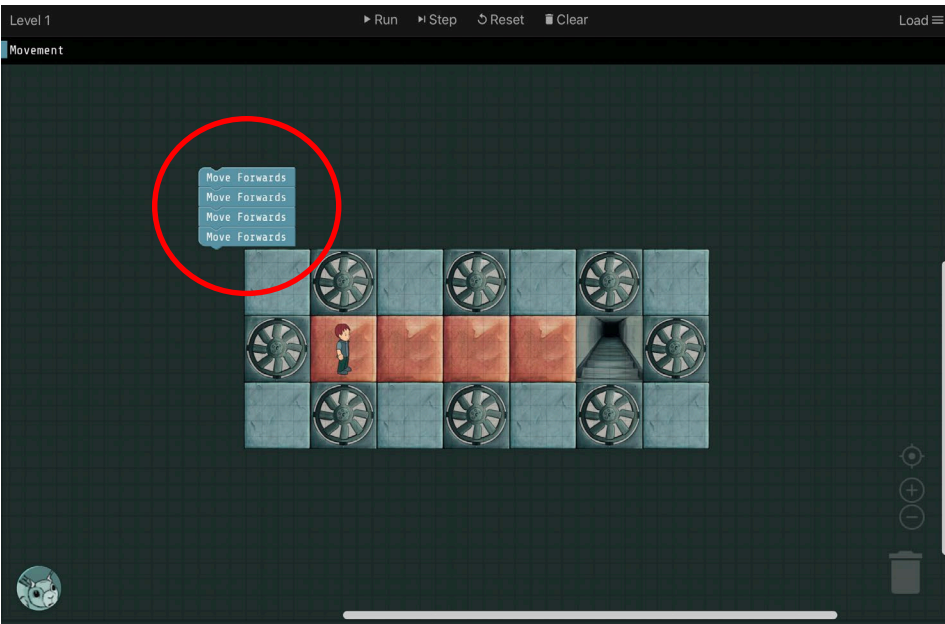

- Matches EDB objectives
- Multi modal exposure
- Reading skills enhanced
- Easing into vocabulary building

Coding

- Coding games
- Levelling
- Read to code, code to read

Levelling

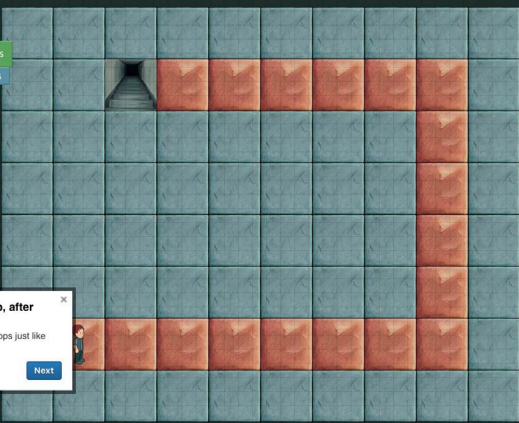

```

repeat 7 times
do Move Forwards
  Rotate Left

```

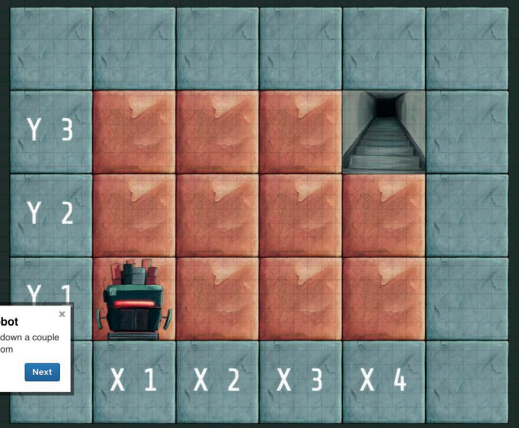

Loop after loop, after loop
 You can connect loops just like any other block.

Next

Moving Your robot
 We need to move it down a couple floors to the trash room.

Next

Look familiar?
 This level looks pretty similar to the last one, just a bit longer.

Next

So much trash!
 Wow, there's a lot of trash here! Luckily we can use a loop here to keep our program short.

Next

```

count with Y from 1 to 7 by +1
do Move To X: 1 Y: Y
  Garbage Output

```

Patterns within the randomness

The lights are still random, but there is actually a pattern to the colours. See if you can figure this one out.

Coding based on scenario

3. Incentive to read and write

- Part of the story narrative
- Read with purpose
- Broadens imagination for writing

Motion

- move 10 steps
- turn 15 degrees
- turn 15 degrees
- go to random position
- go to x: 0 y: 0
- glide 1 secs to random position
- glide 1 secs to x: 0 y: 0
- point in direction 90
- point towards mouse-pointer
- change x by 10

```
set lanceX to Current x coordinate of lance
set lanceY to Current y coordinate of lance
repeat while true
do
  if Space at x: lanceX + 1 y: lanceY is empty
  do
  else if
  do
  else if
  do
```

Cliffhanger ending

4. Creative control

- Encourages creativity
- Self expression
- No right or wrong
- Autonomous ownership

5. Strong side knowledge

- Strong side aids weak side
- Subject knowledge integration
- Complete understanding not required

Students' work

- “As they were walking along, they admired the lush green fields and the unbelievably tall trees.”
- “Hearing this, the other children immediately ran over. ‘Mmm..mmm..delicious!’ said Fork, who, to Beano’s annoyance, took the food first.”
- “Harry Mole’s plan was thwarted. Lance used the transmitter to control the robots and made them shut itself down.”

Students' work

① After Harry the mole escaped the rathouse he had many attempts to find and destroy bash the robot

② While Harry was hunting Lance and the other kids found an abandoned robot and read its memory and it show many instructions about mars

③ Suddenly Harry appear and defeat bash once and for all!

④ The kids were shocked and Harry and them went to mars

⑤ After listening to the story the kids followed the instructions to mars, they found a ship almost ideal for mars.

⑥ but just when they had hope Bash found and invaded them

⑦ When they landed lance saw some familiar people as they escorted them into their safe house a woman found out lance looked like her son and told him every thing

⑧ and they lived together in the safe house for the rest of their lives

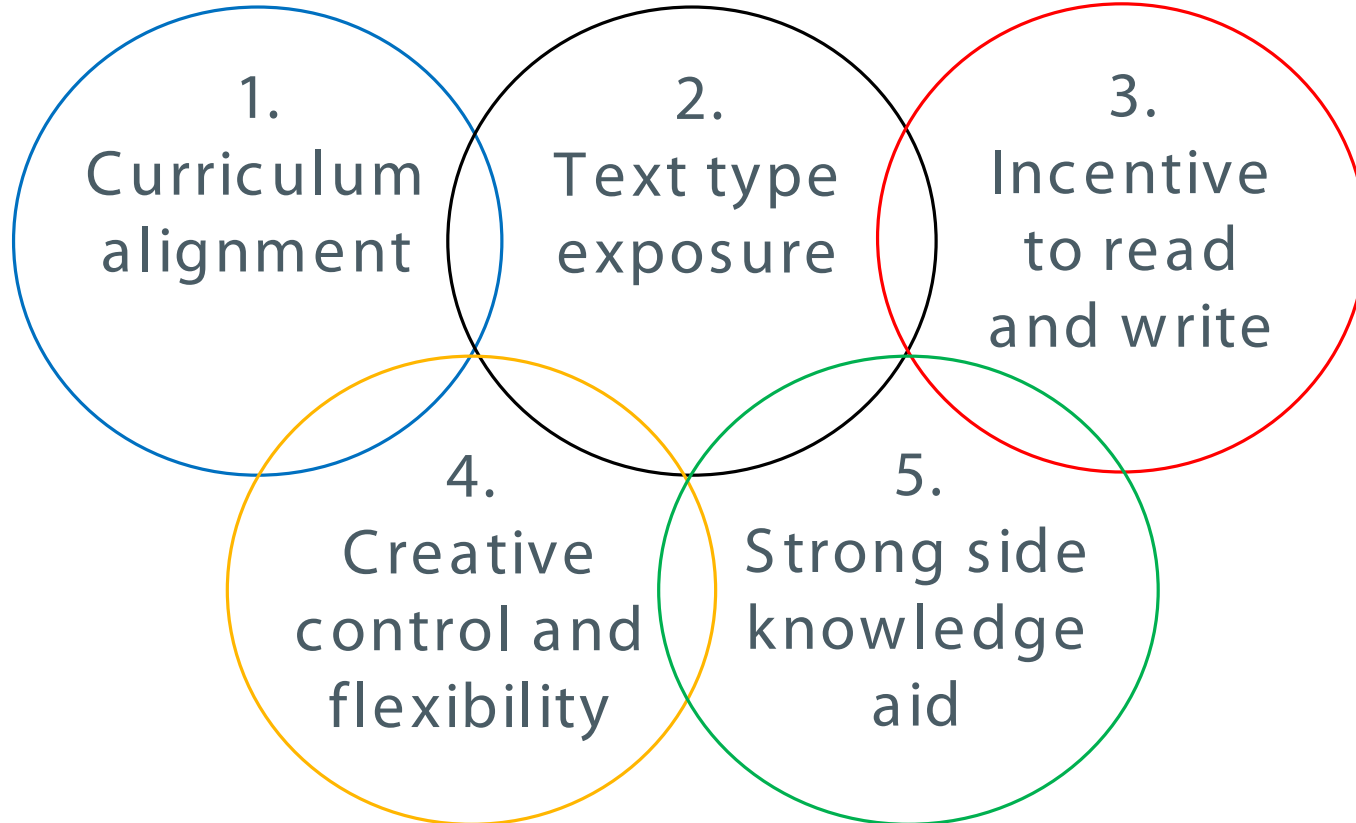

Achievements

- **Writing** – creativity award (1st, 2nd and 3rd place)
- **Comic drawing** – creativity award (3rd place)

Curriculum intergration

Reflection

1. Sparks students' interest
2. Aligns with RaC objectives
3. Promotes STEM
4. Enhances reading skills
5. Develops coding & reading
6. Level adjustment needed
