# Reimagine EDUCATION

A globe of the Earth is shown hanging from a string, positioned in the center of the frame. The globe displays the Americas, with North and South America visible in green and brown, surrounded by blue oceans and white clouds. A dark grey horizontal band is superimposed over the middle of the globe, containing the text "It's A VUCA, VUCA WORLD" in white, bold, sans-serif font. The background is a blurred indoor setting with a window and a wooden surface.

**It's A VUCA, VUCA  
WORLD**

“It is not the strongest of the species that survives, nor the most intelligent, but the one most responsive to *change*.”

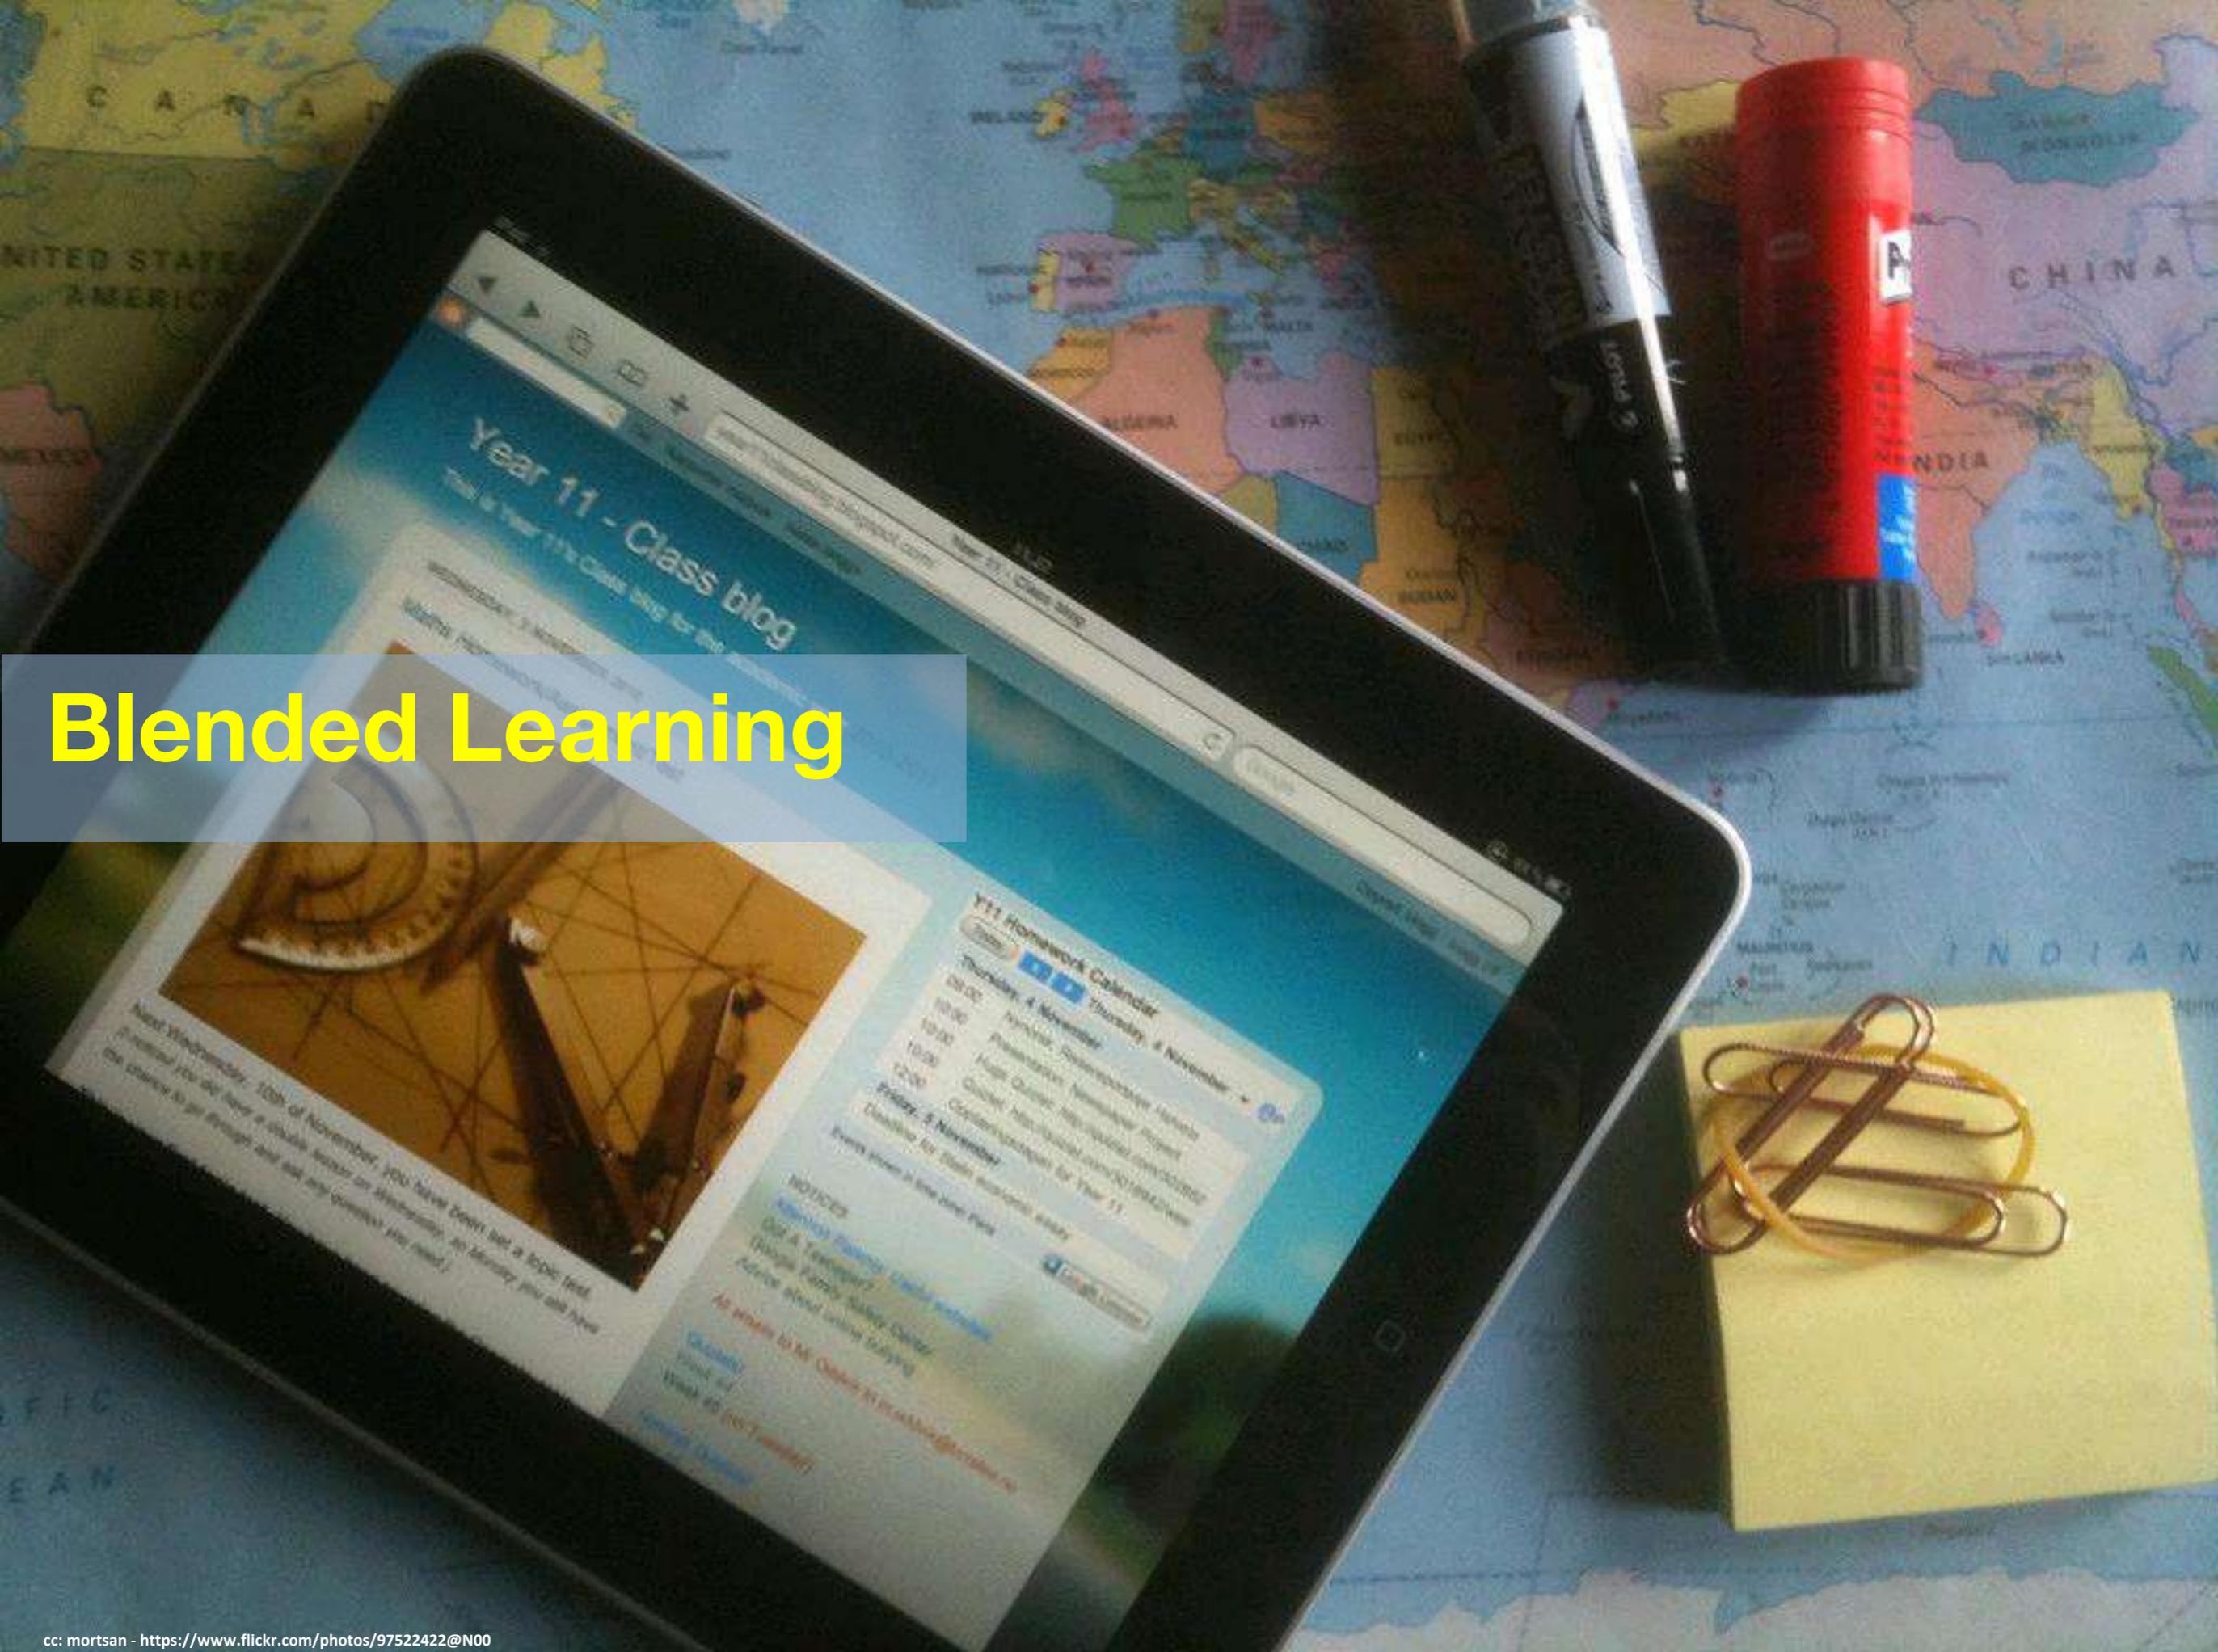

-Charles Darwin, 1809
