

## Use the 'Preset Paper' for Self Study

The screenshot shows the 'Online Question Bank' interface. At the top, a yellow banner reads '2021 HKDSE Questions are NOW available! Please review to equip yourself and strengthen your learning.' Below this is a green header with 'Online Question Bank' and 'Options'. A navigation bar includes 'My Paper', 'Create Paper', and 'View Paper / Report'. On the right, there are links for 'Test', 'Exercise', and 'Revision', along with a 'Show My Performance' button. The 'Subject' dropdown is set to 'Biology'. Below the navigation are buttons for 'Create Paper', 'Retake Failed Questions', 'Retake Bookmarked Questions', and 'Preset Paper'. A 'Filter' section shows 'Sort By: Start Time, ascending'. A list of papers is displayed, with 'Ch2 The cell as the basic unit of life' highlighted. Each paper entry includes the title, 'HKEdCity', the last modified date, and a 'Start' button.

**Step 1: Select the subject**

**Step 2: Click 'Preset Paper'**

**Step 3: Select paper and click 'Start'**

Editing the paper title is allowed after selecting the paper
